

Junior Church

meets during the morning service on the **third and fourth Sunday morning of every month** (except August, Easter Day & Christmas Day). We gather in Church, and then cross to the Dorothy Parkes centre, just over the road. Children are welcome to bring their adults, although fully CRB accredited adults are always present to supervise sessions. We try to encourage older children to move toward allowing their adults to remain in Church, and participate in the service, whilst their children are with us. However, it is helpful if pre-school children can bring someone along to give an extra helping hand.

We welcome all children, whether regular members of the congregation, or visitors and friends.

We have lots of **fun**, doing
art and craft reading and
listening to **stories** and
readings from the Bible, role play
and all sorts of **active play**

to help us reflect on the readings for the day, or on wider themes from Christian teaching or Church liturgy.

Do come and join us!
