

Fellowship Walk in Sandwell Valley, RSPB Site Sunday, 11th September

Timetable for the day and map key

1. Meet 2.00 p.m. RSPB Centre. **Either** park on Tanhouse Lane and walk the 150 yards to the Centre **or** drive to the Centre. There is a parking fee of £3 at the Centre for non-RSPB members.

RSPB Centre RSPB Centre and pay-and-display car park

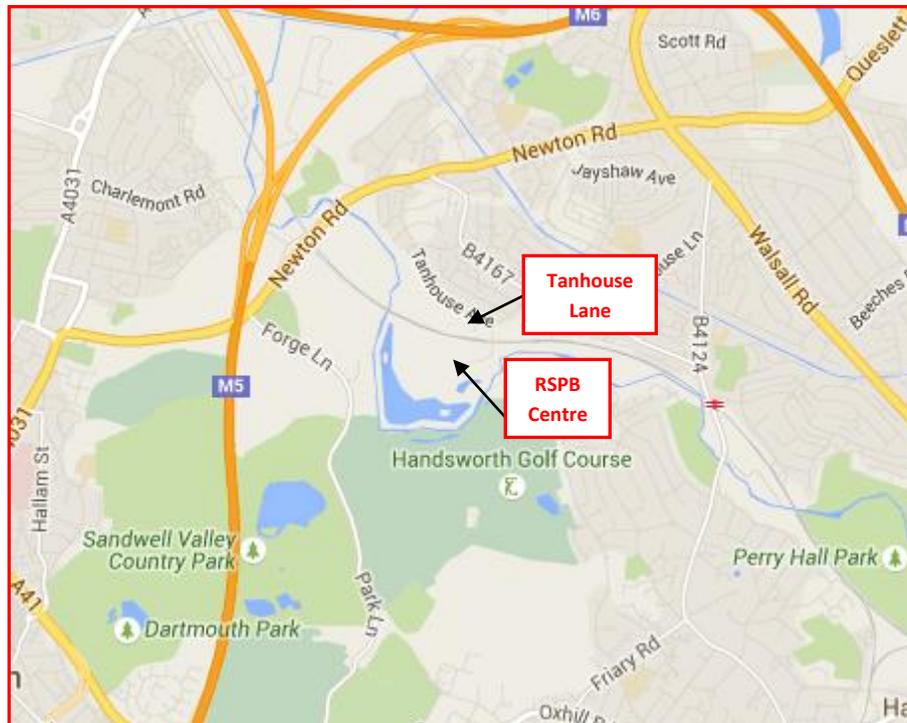

Tanhouse Lane Park on the road and walk through the decorated gates, following the path over the railway bridge and uphill to the Centre.

2. Tea is available at the RSPB Centre where you can also find toilets. There is a special service at Old Church starting at 5.00 to mark *Holy Cross Day* and there is plenty of time to get back to church.

This could be a short walk of around 40 minutes, following the boundaries of the Park, overlooking the lake. There are observation hides. Recently, we saw numerous cormorants and a heron. It would be possible to double the length of the walk to include circling Swan Pool. The RSPB Centre sells teas, coffees and snacks.

If you have a space or spaces in your car and are happy to give lifts in either direction, please tell *Paul* or *Jean Martin*.
